

An Industry Leader's Perspectives on the Current Defense Acquisition Process

WHEN: Wednesday, 14 February 2018, 1000-1130 HRS

WHERE: Howell Auditorium (Building 226), DAU Fort Belvoir Campus

Please visit the DAUAA website (<https://dauaaevents.org/hottopic/registration.html>) for Fort Belvoir attendee registration; and for additional information on regional VTC and DCS feeds. DCS Link is: <https://conference.apps.mil/webconf/February2018HotTopicForum> (For DCS usage, the Chrome Browser must be used for login)

WHO: Mr. Gerard "Jerry" DeMuro, President & CEO, BAE Systems (see bio at <https://dauaaevents.org/hottopic/demuro.pdf>)

INFORMATION: Mr. "Jerry" DeMuro, president and CEO of BAE Systems Inc., has accepted DAU's invitation to be the guest speaker for DAU's February 14, 2018 Hot Topic Forum, which will be held in Howell Auditorium on DAU's Fort Belvoir campus. Mr. DeMuro has over 36 years of experience in directing the transformation of complex global organizations responsible for fulfilling critical and challenging missions worldwide in national security, technology, and aerospace. He intends to cover disparate topics to include commercial vs the defense market, intellectual property ownership, investment expectations, contracting methods, risk tolerance, profitability motivations and the regulatory environment and its inherent burden. Mr. DeMuro has offered to take questions from the audience both in Howell Auditorium and from the DAU regions who will tune in from around the country. Mr. Woolsey, President of DAU, will attend and greet Mr. DeMuro. Don't miss this opportunity to attend this very important event and hear live from the leader of one of the largest defense companies in the USA. *This learning event provides 2.0 CLPs toward continuous learning requirements for government acquisition professionals.
